This is a single digital image that will be emailed for your regional Powerpoint presentation, the Almanac, TICA Trend, or Yearbook. Images sent for Ad creation are priced at the final size of the Ad. No shipping charge applies. Powerpoint images are approximately 600 x 900 pixels. Grand images are 3.5"x2.5" at 300 DPI.

**Fine Art & Canvas prints -----> ASK!**

**Shipping      \$5.00 per order in the US ->**

**(more for international orders)**

\*Large format prints come in Matte finish only, a particular image may not be suitable for a large format print...ask me!

Please note that most enlargements will be cropped from your original 4x6 finished print due to the different dimensions of those prints. If you would like a print custom cropped, just photocopy your 4x6 and draw your cropping preference on the photocopy when you return your order form to me.

## Web / Email CD-ROM

This CD contains low resolution images (approx 440x660 pixels) of your print set. These images are for website and email use.

**Web / Email CD-ROM.....\$25.00**

## High Resolution CD-ROM

Get the most out of your photos! My CD-ROM product includes all the finished images in your print set (the number varies based on the sitting package you chose). You can use your own image editing software and printer to make prints up to 5"x7" for your personal use. The CD-ROM also includes low resolution files perfect for your website or for emails to your customers, friends, and family. Outtakes from your photo shoot are also included on this CD.

**Digital Images on CD-ROM.....\$75.00**

## Photo Business Cards

I will design your card based on one of your selected prints. The cards are professionally printed on heavy card stock and dye cut to give your cattery or business the most polished look. UV coating is applied to the front of the card. There is a setup fee for all first time orders.

**Setup Fee.....\$30**

**(applies to all first time orders,**

**1000 cards.....\$125**

**fee is waived on reorders of the exact same card)**
